

FREE TAX PREP

Tax season ended on April 18.

If you need to file Tax Year 2014, 2015, or 2016 returns or amended returns, please call 615.748.3616 for an appointment in the Nashville area or 615.830.7940 or 615.771.2312 in Williamson County. Appointments are generally available once monthly and fill up quickly. **Be sure to see below the guidelines for tax returns we're not able to prepare.** Some returns are out of scope for the VITA Free Tax Prep program, and, if you have one of those returns, you will need to see a paid preparer.

WE CANNOT PREPARE

- 1) Returns with household income over \$64,000
- 2) Schedule C with losses - No business loss
- 3) Business expenses more than \$25,000
- 4) Complicated and Advanced Schedule D (*capital gains and losses*)
- 5) Rental or Farm Income
- 6) Certain travel and auto deductions
- 7) Returns with business inventory, depreciation, home office deduction, self-employed health insurance coverage deduction
- 8) Certain other limitations on complicated tax law. This can vary from site to site.
- 9) Returns with Marketplace shared policy allocations or alternative calculation for year of marriage eligibility

You may also complete your Tax Year 2016 taxes online at myfreetaxes.com until October 15. If you owe money to the IRS, you will need to have filed an extension by April 18 to use this option.

Presented in partnership with the IRS.
